Serving Regions of Pennsylvania, Ohio, New York and West Virginia

WWW.blackburnsmed.com

Full-time Assistive Technology Professionals (ATPs) on staff

- no wait for appointments for evaluations, final fittings and follow up at the home.
- coverage in regions of Pennsylvania, Ohio, West Virginia and New York.

Full inventory of loaner equipment

- patients will have something to go home with if specialized equipment is on order
- cushions, backs and positioning items in stock to use for evaluation/loaner
- includes power wheelchairs with rehab seating, manual tilt chairs and ultra-lightweight wheelchairs

Relationships with independent therapists that will do home evaluations for rehab equipment

- meets Medicare requirement for a specialty evaluation performed by a licensed/certified medical clinician.
- professional who has specific training and experience in rehab wheelchair evaluations.
- allows for complete home assessment and equipment trial in the home.
- reports will be forwarded back to the ordering physician for review.

Ability to schedule clients at specific facilities for Pressure Mapping

- pressure mapping determines best possible pressure relieving cushion/back.
- recommended if specific cushion is not able to be determined by ordering clinician and client has current skin breakdown.

Full service repair department with certified technicians
