

Variety's **My Bike®** Program, **My Stroller®** Program, & **My Voice®** Program:  
All equipment is provided at **NO COST** to families that meet the program's eligibility requirements.

Variety's **My Bike®** Program currently provides eligible children with disabilities with a Rifton adaptive bicycle (with Rifton accessories) that is individually customized, so they may have the freedom of a bike and the joy of riding alongside friends and family.

**"There are just a few things making him very happy in his world and riding bike is absolutely on top of the list! Today means happiness because although my son cannot walk anymore, he loves riding his bike... It's the thing that gives him the most happiness."** -Ahmet and Stephanie, parents of Adem (left)

Variety's **My Stroller®** Program currently provides a Kid Kart® Mighty Lite adaptive stroller to eligible kids to use for "on-the-go" mobility or general safety/inclusion in the community. **NOT your typical toddler stroller**, but equipment to let families stroll together without worry. With an adaptive stroller, kids are no longer isolated, and it has an immediate impact on their lives. For others, a child might need an adaptive stroller to stay safe and secure while out in the community.

**"Camryn loves to be on the go, but she wears out quickly even if it is only around a block. An adaptive stroller will keep her safe in crowds and places unknown to Camryn, and it will provide our family with great freedom to do things, see places, and create memories as a family."** -Rosanne, mother of Camryn (right)

Variety's **My Voice®** Program provides a communication device (i.e., a restricted iPad with a prescribed communication app) to eligible children with a communication disorder to give them a voice at all times – and enable kids to express their thoughts, feelings, wants, and needs.

After Levi (above) got his new device, his grandmother Sharia told us, **"He was very excited to connect with something familiar and supportive from his physical school setting. 'Go get your words' and 'Use your voice' are becoming welcome phrases at home, and our family can't adequately express in words our gratitude."**
