

NOW AVAILABLE AT
BLACKBURN'S

Discover the new FreeStyle Libre 2 system

- A continuous glucose monitoring system FDA-cleared for adults and children with diabetes, ages 4 years and above
- Now with optional, real-time glucose alarms that notify you if you go too low or too high†
- Unsurpassed 14 day accuracy for adults and children
- Easily check your glucose levels with a painless one-second scan instead of a fingerstick‡

† Notifications will only be received when alarms are turned on and the sensor is within 20 feet of the reading device.

‡ Fingersticks are required if your glucose alarms and readings do not match symptoms or when you see Check Blood Glucose symbol during the first 12 hours.
